Attention Camille Savoca

Dear ~~Mayor~~ Ken Gibson:

This is to confirm an arrangement made via telephone whereby you will speak on Friday, April 30, from 9:30 till 10:00 a.m. to the Foundtable on Urban Issues here. The audience will consist of students, faculty, and staff.

We would appreciate your presentation in 10-15 minutes of your view of the basic issues in the city election and your outlook on Newark's future development. The remaining time would be used for questions.

Feel free to bring campaign literature for distribution if you wish.

Parking is indicated on the enclosed map, but no doubt this information is hardly necessary.

It will be an honor and a pleasure to welcome you to this meeting.

Cordially,

Stanley
